

Multi Air Interface Backup Pads others and mandrels # - Norton

Artical Number: 07660719359

EAN: 3157625499607

SizeDerived:

Description

An alternative to traditional perforated paper discs, Norton MeshPower is a multifunctional abrasive, designed with thousands of holes, created by the unique mesh matrix structure. This hole structure allows dust extraction in any application.

Features & Benefits

Mesh backing enables excellent dust extraction, for a cleaner working environment and less clean up time

Revolutionary design for maximum dust extraction

Less dust and contamination

No-fill® technology prevents clogging for longer product life
