SizeDerived: 115mm x25000m

Description

Norton Pro foamed rolls use colour-coded boxes according to grit size for quick and easy product identification and are used for fine sanding and finishing.

Features & Benefits

The best of the best Norton SG ceramic grain combined with heat-treated aluminium oxide gives an outstanding cut rate

Fibre reinforced paper combined with flexible foam backing is ideal for use on round edges, contours and curves without breaking through the paint

Flexible foam backing

Units are packed in a handy dispenser box and have colour coded labels that show the grit size for quick product selection and easy storage
